Memorandum

Date: March 31, 2015

To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

From: Darryl K. Sharpton 
Chairman
Public Health Trust Nominating Council

Subject: Appointment of Ronald E. Frazier to Jackson Health System General Obligation
Bond Citizens' Advisory Committee

Recommendation

It is recommended that the Board of County Commissioners (Board) appoint Ronald E. Frazier as the professional architect voting member of the Jackson Health System General Obligation Bond Citizens' Advisory Committee (Advisory Committee). Mr. Frazier's term will be three (3) years beginning upon the effective date of this item.

Scope

The Public Health Trust Nominating Council (Nominating Council) consists of Chairman Darryl K. Sharpton, Chairman of the Nominating Council and PHT, Vice-Chairman of Nominating Council and PHT Joe Arriola, Commissioner Audrey M. Edmonson, Miami-Dade Legislative Delegation Chairman Representative Eduardo Gonzalez¹, South Florida AFL/CIO President Andy Madtes, PHT member Mojdeh L. Khaghan, PHT member Marcos J. Lapciuc, Mario J. Artecona, and PHT member Irene Lipof. The Nominating Council is charged with the responsibility to recommend to the Board a list of nominees for membership on the Advisory Committee as set forth in Ordinance No. 14-44 (the "Ordinance") which establishes the Advisory Committee.

The Ordinance provides that the Advisory Committee shall be composed of nine (9) voting members, five (5) of whom shall be appointed by resolution of the Board from a list of nominees submitted by the Nominating Council. The Nominating Council has the discretion to recommend between one (1) to three (3) names for each of the professional categories of Advisory Committee membership to be appointed by the Board. Those professional categories are: (i) Florida certified public accountant, (ii) emergency medical services, (iii) professional engineer, (iv) professional architect and (v) real estate development.

Pursuant to Resolution No. R-943-14, the Board has previously appointed Sigfredo Delgado (emergency medical services), Jose Luis Gomez (professional engineer), and Geraldine Lazarre (Florida certified public accountant). The scope of this item is the Board's appointment of a professional architect to the Advisory Committee.

Fiscal Impact/Funding Source

This action has no fiscal impact to the County as an Advisory Committee member serves without compensation.

¹ On March 9, 2015, Senator Anitere Flores, the new Chairperson of the Miami-Dade Legislative Delegation, appointed Senator Gwen Margolis to fill the delegation's position on the Nominating Council.

Track Record/Monitor

The Nominating Council received and reviewed Ronald E. Frazier's application for the professional architect category and a second application from an applicant seeking to be considered for the real estate development category. At this time, the Nominating Council is submitting and recommending to the Board only the appointment of Ronald E. Frazier for appointment to the Advisory Committee as its professional architect member and will continue its work relative to the member in the real estate development category.

Background

In accordance with the procedures of the Nominating Council, advertisements for the Advisory Committee appeared on multiple occasions in the Miami Herald, El Nuevo Herald, the Miami Times, Diario de Las Americas, Haiti en Marche, the Miami-Dade County website and other community newspapers beginning on April 6, 2014 thru April 20, 2014 and again on June 11, 2014 thru June 25, 2014. In addition, the Nominating Council directed staff to make an outreach effort to applicable industry groups to broaden its applicant pool.

Based upon the Nominating Council's recommendations in October, 2014, the Board adopted Resolution No. R-943-14, appointing Sigfredo Delgado (emergency medical services), Jose Luis Gomez (professional engineer), and Geraldine Lazarre (Florida certified public accountant).

The Board still needs to fill Advisory Committee membership slots for the professional engineer and real estate development categories. On March 4, 2015, the Nominating Council met to review two (2) applications that were submitted by applicants for consideration by the council. At the March 4th meeting, the Nominating Council voted to recommend and submit to the Board the name of Ronald E. Frazier for appointment as the professional architect member of the Advisory Committee. At that meeting, the Nominating Council voted to interview the applicant for the real estate development category but to continue in its efforts and seek additional applicants for that category.

Per Resolution No. R-636-14, the Commission Auditor will complete background research on the nominee. The Commission Auditor's report detailing the findings of said research will be a supplement to this item. Thus, the Nominating Council's recommendation herein is subject to the findings, if any, that will be set forth in the Commission Auditor's report.
